LV SHIPPING LTD

# SAUDI ARABIA

A joint venture with a leading well-established family company in the Eastern Province has paved the way for LV to operate a full door to door logistics service throughout the Kingdom of Saudi Arabia.

## Working in Partnership

LV has formed a partnership with Abdullah A.M. Al-Khodari Sons Ltd in the Eastern Province of Saudi Arabia. Founded in 1955, Al-Khodari ranks in the top 100 companies in the Kingdom, currently employing over 9,000 people and operates in excess of 700 trucks in all corners of Saudi.

The joint venture company is run and managed by one of LV's UK managers, now resident in Al-Khobar. Al-Khodari LV Shipping & Logistics provides a complete one-stop logistics service for all shipping and transport requirements for both inbound and outbound cargos, as well as all in-country operations.

With over 700 trucks at its disposal, Al-Khodari LV can co-ordinated pick-ups and deliveries on a daily basis throughout Saudi Arabia.

## Project Logistics

Al-Khodari LV Shipping & Logistics principal task is to service the burgeoning petrochemical, oil & gas industry within the Kingdom and surrounding Gulf States. With its headquarters in the Eastern Province city of Al-Khobar, Al-Khodari LV is strategically located for the port of Dammam, the international airport at Dharam and the industrial city of Al Jubail

## Communications

With the placement of one of LV's highly experienced British employees to run and manage the company, the level of accurate and instant reporting is second to none. With a live feed to LV's global track and trace computer system, all transit data is updated and acted upon immediately.
